Supervisor Reports – Zaspel stated Pipe Lake dock was placed in water by someone other than a town employee or board member. Zaspel said this is not permissible and must “cease and desist” as it creates a possible liability for the township. Zaspel would like to find out who it was and send them a letter.

Road Maintenance Report – Road Inspection was completed in April. We have a need to crush gravel whenever Cemstone will be crushing again. 235th has some washouts that Brad will take care of the next week as well as clean/sweep the roadway corners within the township. The grader will be needing blades this fall – we have gotten 2 years out of the current blades.

Adjournment – Motion by Anderson; seconded by Zaspel to adjourn the meeting at 6:55 p.m. Motion Carried.
