Period of Public Comment – none

Supervisor Reports – Discussion was had regarding shared roads with multiple fire numbers/properties located on those roads and not having clear signage for emergency services to easily locate properties on those shared roads. We will be exploring options to post signage at the main access point of these shared roads that clearly shows what properties are accessible from the shared roadway. It was suggested to contact Turtle Lake Schools to discuss cost and scope of project for their students in the FabLab to design and construct signage. More complaints were received regarding cattle running at large from the Marske farm on County Road G.

Road Maintenance Report – Snow removal and sanding continues. If you have questions or concerns, please contact town employee, Richard Naessen at 715-671-8488.

Adjournment – Motion by Zaspel; seconded by Lowe to adjourn the meeting at 7:02 p.m. Motion Carried.
