Attached you will find the agenda for the initial Lake Management Plan meeting. Information from this meeting will be shared as will times of other meetings. I realize attendance is difficult but if you have comments or suggestions, please send them to [gregpnpl@gmail.com](mailto:gregpnpl@gmail.com).

**Boat Parade:**

Thanks to all who participated in our Annual Boat Parade. Congratulations to our winners this year -

A special thanks to the Grady's for coordinating and providing the judging.

We will have pictures of the winners on the Pipe Lakes web site shortly.

**Healthy Lakes:**

Just a reminder that we have resources on our web site about the Healthy Lakes program ... <http://pipelakes.org/category/documents/healthy-lakes/> This can assist you as you plan or begin planning your project for next year. Again, if you have any questions regarding this program, you can contact [gregpnpl@gmail.com](mailto:gregpnpl@gmail.com) or check out the Healthy Lakes web site: <http://healthylakeswi.com>.

That's about all for now. Your Commission appreciates your continued support and we look forward to developing plans to continue to protect and improve our lakes and the surrounding areas.
